

Windsor Gate Newsletter

October, 2010

The Board is not a police or investigative entity. The Board initiates action on alleged violations only when it receives written notices of alleged violations from Unit Owners. The Board does not accept oral or unsigned allegations of violations. Alleged violations must be legibly written or typed, dated and signed by a Unit Owner before the Board will take action on a complaint. If you see people not complying with these rules send a written notice identifying them to Kentucky Realty or place it in the mailbox near the clubhouse door.

YARD SALE

October 9 – **NO SET UP FEES** – hours 7 a.m. until dark. Advertising will be placed in the Courier-Journal. Signs will be placed at the entrances and on the median on Hurstborne Lane. Don't have much to sell, partner with a neighbor.

HALLOWEEN PARTY

Trick or treat for the kids. Saturday, October 30, 1 p.m. till 3 p.m. Food, soft drinks, games for kids. Wear your costumes and join us at the clubhouse for a good time.

ASH TREES

Several residents have indicated concern about all of our Ash trees losing their leaves. One concern has been the Emerald Ash Borer. This insect will destroy Ash trees. Fortunately, according to the County Extension Agent for Horticulture, none of these borers have been noticed in our area. The Extension Office has traps set up in the area and no borers have been caught.

The problem is the weather; we had a very wet spring and now a drought. This is causing the problem. The Ash trees will be fine once they are fertilized in November and we get some rain.
